

Behavior Modificaton for Pug Training

1

Positive Punishment

To give something unpleasant to a dog to stop the behavior.

2

Negative Reinforcement

Dog is pulls on a leash with a choke collar. The collar stops hurting him once he stops pulling.

3

Negative Punishment

Turn your back on your Pug when he jumps on you. This is to deter your Pug from jumping on you.

4

Positive Reinforcement

Puppy pees outside and owner immediately gives a treat.
